

SPECIAL ANNOUNCEMENT

In honor of the Tenth Anniversary of the Oklahoma City Community Foundation, an anonymous donor has challenged the philanthropic community with an offer to match any additions to Designated Funds in the Foundation up to \$25,000 by December 20, 1979.

This is an unprecedented opportunity, not only for the service agencies in the city, but for donors as well.

Donors who respond with matching gifts will not only realize the maximum tax benefits afforded by the Community Foundation, but will be doubling their gift to their favorite charity.

We urge you to bring this to the attention of your clients as they plan their year-end giving.
