

## Powerful Performances

by the Lyric Theater at the newly remodeled Civic Center Music Hall are possible in part because of a **Great Grant** from the Oklahoma City Community Foundation. The Community Foundation helped offset some of the performance costs and promoted the Lyric's season of performances that began in June with the Will Rogers Follies and concludes with Joseph and the Dreamcoat in August.

Releasing the community's creative spirit is one way of improving the quality of life and making the community a better place to live. And it's something that donors to the Community Foundation can accomplish through gifts to the Fund for Oklahoma City.

**Great Grants** are helping donors help their community. If you're interested in making a lasting difference - whether it is in arts or any other community building activity - call us. We can help make your personal philanthropy as powerful as a fine Lyric performance.
