

OKLAHOMA CITY COMMUNITY FOUNDATION, INC.

1300 NORTH BROADWAY • OKLAHOMA CITY, OKLAHOMA 73103 • (405) 235-5603

December 10, 1985

Dear _____,

Perhaps you have received an appeal letter or a solicitation from a non-profit agency seeking a contribution. When economic conditions are less than favorable, charitable and educational groups usually are dealt a double blow: contributions and sources of support fall off while demand for services increases. Many very worthwhile groups in the Oklahoma City area are struggling to keep their programs operating in 1985.

The Oklahoma City Community Foundation will contribute over \$1,500,000 during 1985-86 to more than 120 non-profit agencies working in the Oklahoma City community. These gifts will come from the investment earnings made on contributions that you and many others have made during the past seventeen years. Because of these past gifts, not only will the Community Foundation be able to respond to the needs of Oklahoma City this year, but we will continue to be able to do so for many years into the future.

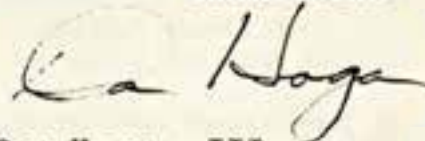

It takes both foresight and discipline for non-profit groups and their supporters to establish endowments. The present need always seems so great. The greatest benefit of endowments is felt not immediately but down the road a bit, when other sources of support become less reliable. Endowment contributions, properly invested and secured, provide a continuous source of support whatever the economic climate. Especially in years like 1985, many groups will appreciate the foresight that donors like you have had in contributing to the Community Foundation Endowment programs.

Page two

On behalf of the Trustees of the Oklahoma City Community Foundation and of the over 120 participating non-profit agencies, thank you for all of your support in the past. This year, more than ever before, the Oklahoma City community appreciates that you have helped provide for the future.

Sincerely,

OKLAHOMA CITY
COMMUNITY FOUNDATION

Dan Hogan, III
President

Nancy B. Anthony
Executive Director

WAYS TO CONTRIBUTE TO THE OKLAHOMA CITY COMMUNITY FOUNDATION

Donors to the Oklahoma City Community Foundation may specify their contribution in one of the following ways:

1. Designate that the earnings be used for the benefit of a specific agency with a Designated Fund at the Community Foundation. A list of these agencies is attached. A new fund for an agency requires a \$5,000 minimum contribution. Additions to existing funds can be made in any amount.
2. Create a "Donor-Advised Fund" within the Undesignated Funds. The donor may advise the Trustees each year on the distribution of earnings from this fund. Specific policies about this distribution are available on request. A \$5,000 minimum contribution is required to establish a "Donor-Advised Fund."
3. Create a Field-of-Interest Fund within the Undesignated Funds. Earnings from the fund are allocated each year by the Trustees to organizations within the donors' area of interest. Two existing funds benefit college scholarship programs and handicapped children. Field-of-Interest Funds may receive donations in any amount from different donors. A new Field-of-Interest Fund requires a \$5,000 initial contribution.
4. Contribute to the General Fund. Each year earnings from this fund are allocated by the Trustees to special grant requests and projects within the community. These funds give the Trustees the most flexibility in addressing current community needs. Contributions may be made in any amount.

A donor whose total contributions exceed \$5,000 will be given a specific Name Fund. These contributions may be in any of the ways mentioned above. Donors with Name Funds are mentioned each year in the Annual Report of the Community Foundation.

Contributions to the Community Foundation can be made in cash, securities, real property, mineral interest, insurance policies, remainder interests, and other assets. Please contact the Community Foundation offices, 1300 N. Broadway Drive, Oklahoma City, Oklahoma 73103 or (405) 235-5603 for any additional information.
