

# John Kirkpatrick Centennial Endowment Challenge

In 1979, John E. Kirkpatrick offered the first of seven dollar-for-dollar challenge matches to charitable organizations as a way to build their endowments at the Oklahoma City Community Foundation and attract new donors. The "Kirkpatrick Challenges" as they became known would become a hallmark of his philanthropy.

As part of the celebration of the 100<sup>th</sup> anniversary of Mr. Kirkpatrick's birth, the Kirkpatrick Family Fund and the Oklahoma City Community Foundation are supporting the John Kirkpatrick Centennial Endowment Challenge, a matching grant opportunity for charitable organizations and scholarship endowment funds.

Those endowments participating in the Challenge will receive a dollar-for-dollar matching grant of up to \$5,000 for contributions made to their funds at the Oklahoma City Community Foundation between February 1, 2008 and December 31, 2008. The Challenge is a great opportunity for donors to double the value of a gift to one or more endowment funds listed in this publication.

## How to Give

Complete the response card on the back panel and mail it in with a check. Be certain to designate which endowment(s) your gift is supporting. We also offer the following convenient giving options:

**Online Giving** – donors can make a gift using a major credit card via a secure online giving service at [www.occf.org/donate](http://www.occf.org/donate).

**Real Estate** – Real estate may be given at appraised value. If appreciated, capital gain taxes may be avoided on the real estate appreciation. Gifting real estate to benefit your endowment may allow donors to preserve liquid assets while maximizing their charitable contributions.

**Stocks and Bonds** – If appreciated, marketable or closely-held securities, such as stocks and bonds, offer a donor the ability to realize significant tax savings while maximizing their charitable contribution to an endowment fund.

**Oil and Gas Interests & Royalty Interests** – Both oil & gas working interests and royalty interests may be donated to benefit an endowment and may allow the donor to preserve their liquid assets while maximizing his charitable contributions.

For more information, please contact us at 405/235-5603 or visit [www.occf.org](http://www.occf.org).

All 278 charitable organizations and 75 scholarships with endowments at the Oklahoma City Community Foundation were invited to participate in the Challenge. Those listed in this publication agreed to participate.
