OKLAHOMA CITY COMMUNITY FOUNDATION

Helping you help the community

The Oklahoma City Community Foundation is one of the nation's largest community foundations. Founded in 1969, its mission is to serve the charitable needs of the Oklahoma City area through the development and administration of endowment funds. Our Trustee Scholarship Initiative addresses the community's need to encourage students to pursue higher education. The program is unique in that it recognizes that scholarships are only one of several vital components necessary to ensure that students can and will seek higher education. In addition to funding scholarships, the program provides access to information on financial aid resources and higher education institutions, training for counselors on new guidance tools and techniques and a simple, but powerful tool: *encouragement*.

Community Foundation Scholars

In 1997, the Oklahoma City Community Foundation Trustees developed the Community Foundation Scholar Award program to raise the expectations and commitment of central Oklahoma high school students to pursue educational opportunities beyond high school. Now in its 13th year, the Oklahoma City Community Foundation has awarded 1,095 scholarships to worthy seniors.

Participating high schools will accept applications for the 2010 program in November of 2009.

If you meet the following criteria then you should apply for this \$1,500 scholarship.

- Spring semester 2010 graduate of a high school participating in the Central Oklahoma Guidance Network.
- Ability to benefit from additional education as demonstrated by a GPA between 3.25 and 3.79.
- Demonstrated commitment to education as reflected in the written scholarship application.
- Demonstrated commitment in school or community activities outside the classroom as reflected in the written scholarship application.
- Do not qualify for other academic or performance-based scholarship/tuition awards.

The activities I had to complete for the scholarship impacted my life because this is where my future starts, a chance to go to college. It allowed me to realize what it will take to succeed in my journey through college and helped to get me ready for higher education.

Curtis F.
2009 Bethany High School graduate

I am pleased and excited to tell you that I graduated magna cum laude from the University of Oklahoma and I will be attending medical school at OSU in Tulsa in the fall! Thank you so much for believing in me and helping me achieve my dreams. Your scholarship gave me not only the finances to help with college but also the encouragement in knowing that I had your support.

2005 Bishop McGuinness High School graduate

In the past nine years, 614 students completed their required activities and were awarded scholarships.

If you meet the following criteria then you should apply for this \$1,500 scholarship.

- A student in the junior class of a high school participating in the Central Oklahoma Guidance Network.
- The first generation of your family to attend college: *Please talk with your school's participating Guidance Counselor for specific information on definition of "first generation."*
