Confirmed in Compliance with National
Standards for U.S. Community Foundations

Check out the new OCCF.org!

Our redesigned website has great new features including:

Streamlined Navigation

Two navigation areas – one at the top of the website and one in the middle – provide more choices that are viewable on each web page.

New Online Giving Service

Donors can now complete their online gifts with greater ease.

How Can We Help You?

To make it easier to contact us for additional information, we have added staff photos and contact information to a majority of the web pages.

Responsive Design

The new website has a responsive design so regardless of the device you use to visit the site (PC, tablet or smartphone), you will have the most optimal viewing experience.

More News

We will share donor stories through the Making an Impact page while What's Happening @OCCF will let you keep up with current events and activities.
