Your Connection to Providing Opportunities

Our goal at the Oklahoma City Community Foundation is to help donors help the community in the areas they most value, such as senior independence.

Through our Services for the Elderly iFund grants, we awarded a \$20,000 grant to support RSVP of Central Oklahoma's Provide-A-Ride Medical Transportation program. The grant ensures low-income seniors receive safe transportation to and from medical appointments and the pharmacy. The drivers do more than just provide a ride, though. They provide a friend.

"Our volunteers are caring older adults who give the gift of companionship and friendship to so many elderly persons who live alone," said Beth Patterson, executive director of RSVP.
