Your Connection for Good

In 2019, we marked 50 years of being Your Connection for Good. We celebrated with a variety of activities throughout the community, finishing the yearlong celebration with a crescendo in the heart of downtown Oklahoma City as thousands gathered to experience The Musical Swings.

“Throughout 2019, we celebrated the Oklahoma City Community Foundation’s 50th anniversary by giving back to this great community we call home,” said Nancy B. Anthony, Oklahoma City Community Foundation president. “It’s an exciting time to live in Oklahoma City and we felt like bringing this internationally known art installation to the heart of downtown was a perfect way to round out our yearlong celebration.”

Thanks to those who helped us make our first 50 years great!
