2021 SCHOLARS YEARBOOK

SCHOLARSHIP RECIPIENTS

Whether you are a counselor or scholarship recipient, huge congratulations are in order. Our Community Foundation and New Opportunity Scholars are well on their way to a great and successful future! They've worked hard to prepare for their next journey, and we want to make sure they have the right tools to get to where they need to be.

All scholars should have received an award packet that maps out what they need to do next.

It includes:

- Postcards for students to thank their scholarship donor and return to us by mail.
- An award letter with information about the specific scholarship received.
- Verification of Enrollment forms for students to take to their school registrar for completion and return to us by mail.

IS THE SKY THE LIMIT

CENTRAL OKLAHOMA GUIDANCE COUNSELOR NETWORK

The Central Oklahoma Guidance Counselor Network is composed of guidance counselors from the 53 central Oklahoma high schools listed below.

“The COGCN makes sure that everyone from top down is given the information they need to help their students be successful. They have been very responsive to the ever-changing needs this year has brought. They have a heart for the community and the students they serve, and we are very grateful to them for helping us push through this difficult year.”

Chad Pugh
Santa Fe South High School Counselor

Through the network, we provide free training and resources including continuing education workshops and campus visits for counselors to learn about college admissions and financial aid opportunities. In addition, we provide at least one Community Foundation Scholars award to each participating high school.

TRUSTEE SCHOLARSHIP INITIATIVE

Established in 1998 by the Oklahoma City Community Foundation Trustees, the Trustee Scholarship Initiative is a series of award programs, including the Community Foundation Scholars program, designed to encourage more students in central Oklahoma to attend college.

College Freshmen

Community Foundation Scholars

Awarded to good students who are active in their community and might not otherwise qualify for awards based solely on academic standards. For the 2021-22 academic year, 96 Community Foundation Scholars will receive a \$2,000 award.

New Opportunities Scholars

Awarded to students who will be the first in their family to attend college. Students apply as high school juniors and follow a program to prepare them for college. For the 2021-22 academic year, 54 New Opportunities Scholars will receive a \$2,000 award.

College Sophomores & up

Your scholarship opportunities don't end here! Each spring, former Community Foundation Scholars and New Opportunities Scholars in their second, third and fourth years following high school graduation who are attending a college, university or vocational school in Oklahoma, in good academic standing and have financial need are invited to apply for the Irene P. and Samuel E. WHAT IS THE OKLAHOMA CITY COMMUNITY FOUNDATION?

Established in 1969 by John and Eleanor Kirkpatrick, the Oklahoma City Community Foundation has connected donors with charitable organizations and causes for the past 50 years. As a 501 (c)(3) charitable organization and one of more than 750 community foundations in the United States, we help donors establish permanent endowment funds to provide long-term support to nonprofits in this community. The Oklahoma City Community Foundation is currently among the 20 largest community foundations in the country, serving both urban and rural communities in central Oklahoma.

What is a community foundation?

Community foundations are public charities dedicated to bettering the lives of people in a defined geographic area through grant-giving. They bring together the financial resources of local individuals, families and businesses to support nonprofits and activities in their area.

What is an endowment?

An endowment is a permanent fund established through a charitable gift or donation. While only a portion of the fund is available each year to support charitable efforts, like your scholarship award, the power behind endowment is its permanence. Each year the fund grows as a portion is invested, ensuring it will forever be able to fund charitable causes.

What other programs do we support in the community?

Thanks to donors who care to see students succeed in their academic journeys, we are able to provide the largest selection of scholarships in the state. We also work with donors to support hundreds of charitable organizations and projects in central Oklahoma, including public art and beautification projects, health care for those in need and community wellness programs for everyone.
